Profile

I am a Software Engineering student with expertise in C++ programming (JUCE) and web development (Vue.js, React Native, GSAP, Django, JavaScript/CSS/HTML). Additionally, my retail experience has honed my customer service and teamwork skills. I am seeking an internship to further develop my technical skills and gain practical industry experience.

Education

2021	Bath Spa University (2nd Year)
—	
Present	Computing BSc (Hons)
2023	Concordia University
	Computer Science (BCompSc)
	• Exchange Programme (1 term)

	Level 3 Extended Diploma

Key Skills

Professional

C++
JUCE
JavaScript/HTML/CSS
Vue JS, React Native
UX/UI
Figma

Personal

Communication
Time management
Teamwork
Creativity
Attention to details
Desire to learn

Employment

2023	C++ JUCE Developer - MNTRA
—	
2024	In my position with mntra.io, I was involved in the team effort to integrate an existing DSP backend into our project, contributing to the development of a UI design template. This collaborative role was pivotal in merging sophisticated digital signal processing with user-friendly design.
2023	Web Development - Quilio LTD
	I integrated a website design from Figma using Vue.js and Django, incorporating dynamic animations with GSAP to enhance user experience and interactivity.
2022	Web Development - Blue Sparrow Apps
	Part-time, I worked on a Web 3 project with Blue Sparrow Apps, focusing on UI integration from a Figma design, which honed my UI development skills with React Native and Tailwind.
2019	Retail Customer Assistant, Lidl
—	
2022	I maintained stock, provided customer service, handled money and assisted with inventory management.
2019	Retail Customer Assistant, Lidl
—	
2022	I assisted customers, handled transactions, and maintained displays for a smooth shopping experience.
